Dear Paul:

RE: Douglas Smeby

Per your request, I have enclosed the following items for Donald Smeby's confidential file.

1. Letter of suspension
2. Copy of his signature

To clarify the statement regarding his nudity with youth; the New Hope Police Department contacted us regarding Donald Smeby. A concerned parent notified the police department regarding alcohol/drug abuse by adult leaders at a camping trip and that Donald was running around in the woods nude with youth members of Troop 365. There is no indication that sexual activity occurred. There is no police file or newspaper clippings to refer to in this case.

Sincerely,

Mark Holtz

Dear Mr. Smeby:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely yours,

Paul Curran
President

PERSONAL AND CONFIDENTIAL

SUBJECT: Donald Smeby

Dear Clarence:

I am sorry so many of these cases have recently been a concern to you, but I do need more information in order to complete the file.

We would like a copy of a paper with Mr. Smeby's signature if you have this available, as this aids in the identification process. Any applications, advancement reports, or any other form with his signature would be helpful.

We would also like to know if you gave Mr. Smeby a letter of suspension? If you or the Chartered Organization did this, we would like to have a copy of this particular paper.

You also indicate that the police had been notified that the leader had been nude with youth. Was there some sexual act performed, or can you get other information related to this? We would like copies of newspaper clippings, court records, or police reports if these can be secured, as these would aid in the identification process and also support our refusal of registration at a later time. Please do not hesitate to contact us if you have any questions, and send us whatever material is available for our files.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director
Registration Service
